**What Impression Do We Make?**  
**(Copied and Adapted)**

Do you ever wonder what our visitors think after they have attended our worship services? What kind of impression do we make collectively and individually on our visitors? Someone has said, “You never get a second chance to make a good first impression.”

1. What impression do we make when they see us sleeping or daydreaming during the services?
2. What impression do we make when they see us not singing in worship?
3. What impression do we make when they see us coming in late for services?
4. What impression do we make when they see us whispering, writing notes, giggling, playing with the baby, or distracting in other ways during the services?
5. What impression do we make when they see us filing or clipping our finger nails?

Morrison church, Friends & Ladies,

We wish to thank each of you for your contribution to Memphis School of Preaching, in memory of our brother, David. It was so thoughtful of you. We appreciate all the prayers which we know you offered up on his behalf and for us at his death. Many thanks for the KFC brought to the funeral home. Thank you for remembering us at this time.

In Christ, Betty, Linda, Paul, Sharon and Debbie Meacham

.....  
Morrison church, Friends & Ladies,

Thank you so much for the meat & cheese tray and the food you brought to the funeral home. Also, thank you for your visits and flowers for the service. Your kindness and caring at that difficult time was a comfort. God bless each of you.

## What Impression Do We Make?

(Copied and Adapted)

6. What impression do we make when they hear us complain because the preacher got on our toes, the sermon was too long, the songs were not pitched right, or the service was just boring?
7. What impression do we make when our demeanor suggests that we would rather be fishing or watching a ball game?
8. What impression do we make when we fail to be friendly and never invite visitors to return?
9. What impression do we make when we wear clothing that we would not wear to other events that we deemed to be important (i.e. weddings, funerals, job interviews)?
10. What impression do we make when our visitors return Sunday night and/or Wednesday night and we stay at home?  
We may be telling our visitors much more than we are willing to admit to ourselves.

When the ladies go to NHC they will need items to give the residents for prizes, for the next two months
